:- 3.6. PRODUCT CENTRAL :-

The screenshot displays the 'Product Central' interface. At the top, there are three filter dropdowns: 'Filter by Category', 'Filter by Product Type', and 'Filter by Stock Status'. To the right, it shows '143 items' and a pagination control with '1' selected. The main table lists products with the following columns: Product ID, Name, SKU, Regular Price, Sale Price, Stock Quantity, Stock Status, and Stock At Locations. The 'Stock At Locations' column shows three locations: beverly, miami, and new york, each with a status indicator (represented by a horizontal line).

Product ID	Name	SKU	Regular Price	Sale Price	Stock Quantity	Stock Status	Stock At Locations
